NO. 46.

Saw Mill Burned.

Fire destroyed the band saw mill belonging to Swann-Day Lumber Company at Natural Bridge Saturday night. The mill had a capacity of several thousand feet of lumber per day, and was one of the finest saw mills belonging to the company. The loss will be several thousand dollars with light insurance.

"He Giveth His Beloved Sleep."

Mrs. Everett Morefield, after an illness of eight months, died at her home in West Clay City, last Thursday morning at 8 a. m. She leaves a husband, and three small children, ranging in age from seven months to five years. The remains were interred in the Eaton burial ground in outskirts of the city on last Friday afternoon. The deceased was a sister of Mesdames Dock and Pete Phillips of this place. She lived a consistent christian life, and died triumphant in the faith.

Hunter Elected.

Dr. W. Godfrey Hunter seems to be the choice of the people in the 11th Congressional district for Congress. Unofficial reports confirm his election over D. G. Edwards by about 2,000 majority. Hunter's name was under the log cabin in some counties and Edwards' name in others.

New Insurance Agents.

Littlepage & Son have associated themselves with that well-

known insurance man T. F. Rogers, of Mt. Sterling, and are now prepared to write all classes of insurance. Life, fire, accident and etc. When in need of a policy see them.

We have received a number of new subscribers since the election, and the boom is not yet checked. Jump into the band wagon and become a reader of the best paper that ever graced a Powell county fire-side.

Notice.

It has been currently reported that I was an applicant for marshal under the new council which will be seated Jan. 1st. The same is a false report, for I am not a candidate for the position and will not be when the new council is organized.

EDWARD ROSE.

Disastrous Wrecks.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from Throat and Lung troubles. But since the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured, and hopeless resignation is no longer necessary. Mrs. Lois Cragg of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung diseases by Swann-Day Lbr. Co's. Price 50c. and \$1.00. Trial bottles free.

Irvine Items.

[Irvine Herald.]

Robert Friend, who is attending Center College at Danville was here Tuesday.

Mrs. M. M. Miller and daughter, Miss Mary, of Lexington, are visiting friends in Irvine this week.

Claude Muncie returned Tuesday from Elwood, Ind. and will remain at home to recover his health.

Green Miller left Tuesday for Tyrone where he has been assigned as store keeper at the distillery.

Dr. T. Park Gardner left yesterday for Jacksonville, Florida where he will visit his brother, Joe Gardner.

Clarence Miller, our school superintendent, left this week for Danville where he will enter the law department of Center College.

Dr. C. Marcum and family, of Miller's Creek, returned Monday from a visit to Dr. Marcum's brother at Cass, Ark. The doctor is well pleased with his trip, and describes the country as being in a prosperous condition.

Close Races.

The report comes from Jackson that official returns in the counties of Breathitt, Lee and Magoffin, composed the 92nd legislative district give Carl Day, Democrat, a majority of 10 over Spicer, Republican.

Will Contest.

J. P. Adams, republican nominee for Commonwealth's Attorney in the 23rd judicial district, announces his intention to contest the election of his successful Democratic opponent who defeated him by a majority of 168.

Gov. Beekham's net majority over Belknap for Governor so far is 27,552. Reports are made up from every precinct in the State except five which will not materially change the vote.

Upward of 800 butchers are out on strike at Cincinnati for more money.

Just The Way of It.

An exchange has discovered that the individual who gets the fewest letters makes the most complaints to their postmaster: the man who never had a good meal at home growls at the hotel accommodations; the person who complains most of his neighbors is the meanest of the lot; the member who pays the least to the preacher's salary finds the most fault at his preaching and complains of the bad management of the church and the subscriber which is the slowest to pay his subscription finds the most fault with the local paper.

The Banner Precinct.

The county of Franklin is claiming the banner Democratic precinct of all Kentucky. In the Bailey's Mill precinct every one of its 217 votes was cast and were recorded for the Democratic state ticket.

Plant Locust or Walnuts.

An exchange says: Unless the farmers plant walnut or locust trees, our fine lands in Kentucky will in a few years resemble the western deserts. By all means they should plant forest trees, locusts or walnuts. The walnuts are now falling and during the next month great quantities of them should be planted.

A Runaway Bicycle.

Terminated with an ugly cut on the leg of J. B. Orner, Franklin Grove, Ill. It developed a stubborn ulcer unyielding to doctors and remedies for four years. Then Bucklen's Arnica Salve cured. It's just as good for Burns, Scalds, Skin Eruptions and Piles. 25c at Swann-Day Lbr. Co's. store.

A Correction.

James Potts was living with his father and not near him as stated in the last issue of the Times at the time of his death. His father requests us to make the correction. We had the item set up conveying the correct information in the case, and was misinformed and induced to change the form after made up in order to give the facts in the case.

Doesn't Respect Old Age.

It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect Pill. 25c, at Swann-Day Lbr. Co's. store.

The Times is and always has been extremely cautious to publish only facts. Of course our only source of information is current reports and several correspondents throughout the country, consequently we sometimes miss our aim. If an error occurs, however, we will gladly make the proper corrections when so informed from a reliable source.

A movement is on foot to harness the falls of the Ohio river at Louisville for motive power as has been done at Niagara Falls.

Not A Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts

of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C. writes. Only 50c. at Swann-Day-Lumber Co's.

Farm For Sale.

Ninety acres of good land well improved, at Lilly's Ferry, one mile west of Spout Spring. Well watered, fine orchard, good dwelling of six rooms and all necessary outbuildings. Good neighborhood and other conveniences. Will sell at a bargain. ALLEN OSBORN, Spout Spring, Ky.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

Ahead in Flour?

Well, we should say so! So far ahead that our

Best Patent and Mountain Lily

have become standard brands. There are hundreds of flours to choose from, but the housewives know that MANSFIELD'S is the best. It is milled from the very best wheat on an up-to-date roller mill, run by water power. It is white and has the natural taste and flavor of the wheat berry. That is why we are ahead in flour.

Buy it from your grocer. No greater cost, but much greater value.

Star Mail Routes.

Under the recent ruling of the postoffice department a bidder or contractor to carry the mail on star routes, must live on or near the route and is required to perform the service or give it personal supervision, thus shutting out speculative bidding and bidders.

Anyone living along a route, and who puts up a box on the roadside so that carrier need not leave his horse or wagon, and files a written request with postmaster, can have their mail delivered free of charge.

Bids for carrying the mail must be filed at office of Second Assistant Postmaster General, Washington, D. C., not later than 4 p. m. Dec. 1, 1904. Decisions of awards will be announced on or before Feb. 1, 1904.

Contract term is for four years, beginning July 1, 1904.

Postmasters have blanks and

can give full information relative to bidding and rules governing the service.

Following is list of routes in Powell county:

Stanton to Patsey; Clay City to Union Hall; Rosslyn to Xena; Sage to Bowen; Gonet to Bowen; Knox to Slade.

OBITUARY.

Caswell Bowen, son of Wm. and George Ann Bowen was born Dec. 6th, 1881 and departed this life Nov. 3rd, 1903, being 21 years, 10 months and 28 days old.

He leaves a father, mother, two brothers and four sisters to mourn his loss.

Cas was a charitable boy, often giving his last penny to those in distress around him. His genial disposition won him a host of friends which was manifested by the crowds that flocked to see him in his last hours.

Death came so unexpectedly, almost without warning, and snatched from a happy family circle one of the most beloved, prostrating the family with grief, and leaving a vacancy in their hearts and home which can never be filled.

But as a balm for that almost insupportable grief, he confessed his Savior. He told them he had placed all his trust in God. His last words were: "I die hard, but I am not afraid to go."

Funeral services were conducted by Rev. R. A. Irvin, his text being: "Whoever confesses me before men, I will confess also before my Father which is in heaven."

The body was interred in the Faulkner cemetery.

Jackson, New Era.

Jackson in her strive to reach a more citylike appearance, has just completed a new electric light plant, and the town is now illuminated by electricity to the innermost recesses. At the election, the proposition to issue \$8,000 in bonds for the purpose of macadamizing the streets of the town, carried by a large majority.

Indicted For Murder.

The first act of the grand jury at Stanton Monday was to indict Alfred Killen for the murder of Caswell Bowen at Bowen last week. His trial has been set for next Monday when he will be brought back to Stanton.

While there seems to be much feeling against Killen, there is no danger of mob violence as is reported by some.

Valuable Cattle Sold.

The Winchester Democrat reports: Cas Goff, of Bourbon county, buyer for Nelson Morris bought recently in Bourbon county, 1,443 export cattle at an average cost of about \$70 each or a total of about \$100,000. Ben Scott bought last week for the S. & S. Co., the following export cattle: Of Stanley T. Prewitt 105 weight 1,300 lbs. at \$4 60; of Kelly Kirtley, 51 corn fed weight 1,485 lbs., at \$4 60; of Terry Gan-

non, 28 weight 1,425 lbs., at 4½c. These cattle were shipped to Boston Friday from which port they will be sent to Europe.

Cured

At 70 of Heart Disease Contracted

During Civil War—Veteran Grateful.

Dr. Miles' Heart Cure Effected Cure.

Heart disease is curable, but in people of advanced age it does not readily lend itself to ordinary treatment. There is, however, hope for all sufferers in Dr. Miles' Heart Cure, which we know from watching hundreds of cases and from the letters of grateful sufferers, will cure where all else has failed. It is not only a wonderful cure for weak and diseased hearts, but it is a blood tonic, a regulator of the heart's action and the most effective treatment ever formulated for improving the circulation of the blood.

"During the Civil war I contracted heart disease, and in 1866, while living in the grand old town of Lexington, Va., I grew so much worse, I left there with my wife to visit my sister-in-law, Mrs. T. A. Kirby, at Roanoke, Va. While I said nothing to anyone I never expected to live to return to the dear old town. On reaching Mrs. Kirby's she insisted I should try Dr. Miles' Heart Cure. I procured a few bottles of it, also the Nervine and Tonic. After using one or two bottles, I could see no improvement, and I despaired of ever being better, but my faithful wife insisted on keeping it up, which I did. Improvement soon began in earnest and I took in all fifteen or sixteen bottles. I was restored to perfect health and while I am 70 years old, I am comparatively a boy. You sir, are a benefactor, and I cheerfully recommend Dr. Miles' Heart Cure to suffering humanity."—J. L. SLAUGHTER, Salem, Va.

What an Agent Can do.

Mr. Lutes, the Singer sewing machine agent sold five of his famous sewing machines in the upper portion of the county in less than an hour one day last week. This shows what the average sewing machine agent can do. Yet money invested in a Singer machine is not thrown away, for you can't buy a better machine.

What to Do Until the Doctor Arrives.

One of my children was taken with cramp colic and suffered severely," says S. B. Elzee, of Monticello, Mo. The couple left on the evening train for Cincinnati where they will spend a few days, and return home. They will move to Jackson to reside where the Doctor has a large practice in dentistry.

The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. The Best Remedy for Croup.

[FROM ATCHINSON, KAN., GLOBE.]
This is the season when the women who know the best remedies for croup are in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost, in case of burglars. There used to be an old fashioned remedy for croup, known as hive syrup and tolu, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by all dealers in patent medicine.

Two Boys Fined.

In the Circuit Court Monday, Sam Wright and Charley Wright were each fined for hollowing and raising a disturbance along the public highway in this county some time last June. The former was fined in two cases. Some boys in this end of the county had better be a little more cautious or they might receive a similar action.

CHICAGO, ILL., Oct. 22, 1902.

For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a disconsolate place at best. A friendly druggist advised him to get a bottle of Wine of Cardui for me to try, and he did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being.

Cecilia Stowe

Mrs. Stowe's letter shows every woman how a home is saddened by female weakness and how completely Wine of Cardui cures that sickness and brings health and happiness again. Do not go on suffering. Go to your druggist today and secure a \$1.00 bottle of Wine of Cardui.

When ponderously tackles humor there is fun for those who know how to appreciate it. This country has never grown a man too big to be laughed at or criticised.

DECEMBER NUMBER
New Idea Woman's Magazine.

Have you ever asked yourself, in your quieter moments, "What was the happiest day of my life?" A group of clever and celebrated women have formed a symposium for the December number of the NEW IDEA WOMAN'S MAGAZINE and have given their several experiences during the one happiest day of their lives, and the result is exceedingly interesting. This is the Christmas number, and the spirit of the holiday season prevails in its pages. Valuable suggestions for gifts, for feasting and for house decoration are in evidence, and many new ideas are advanced. The number is also exceedingly rich in good fiction and verse, and is entertaining from cover to cover.
